*Practical training according to the schedule*

14th May (Friday)

8.15-10.15 Practical seminar - gynaecology (case files)  
*as. MUDr. R. Kocián*

Practical seminar – obstetrics (labor - model)  
*as. MUDr. P. Šašková*

Practical seminar - gynaecology - instruments, gynae examination  
*as. MUDr. F. Frühauf, Ph.D., as. MUDr. R. Kocián, as. MUDr. L. Dostálek*

*Practical training according to the schedule*

10.30-12.15 Practical seminar - gynaecology (case files)  
*as. MUDr. R. Kocián*

*Practical training according to the schedule*

## **2<sup>nd</sup> week**

### **17th May (Monday)**

- 8.15-9.30            Practical seminar - gynaecology (case files)  
*as. MUDr. R. Kocián*
- 9.30 - 10.25        Practical seminar – Assisted reproduction  
*MUDr. K. Adamcová*  
*Practical training according to the schedule*
- 10.30-12.15        Practical seminar - gynaecology (case files)  
*as. MUDr. R. Kocián*  
Practical seminar – Assisted reproduction  
*as. MUDr. A. Černý*  
*Practical training according to the schedule*

### **18th May (Tuesday)**

- 8.15-10.25        Practical seminar - gynaecology - instruments, gynae examination  
*as. MUDr. F. Frühauf, Ph.D., as. MUDr. R. Kocián, as. MUDr. L. Dostálek*  
Practical seminar – obstetrics (perineal repair)  
*as. MUDr. O. Sosna, Ph.D.*  
Practical seminar – obstetrics (labor - model)  
*as. MUDr. P. Šimják, Ph.D.*  
*Practical training according to the schedule*
- 10.30-12.15        Practical seminar – obstetrics (routine care)  
*as. MUDr. P. Šimják, Ph.D.*  
Practical seminar - gynaecology - instruments, gynae examination  
*as. MUDr. F. Frühauf, Ph.D., as. MUDr. R. Kocián, as. MUDr. L. Dostálek*  
Practical seminar – obstetrics (perineal repair)  
*as. MUDr. O. Sosna, Ph.D.*  
*Practical training according to the schedule*

### **19th May (Wednesday)**

- 8.15-10.25        Practical seminar – obstetrics (perineal repair)  
*MUDr. J. Dvořák*  
Practical seminar – obstetrics (labor - model)  
*prof. MUDr. Z. Hájek, DrSc.*  
Practical seminar - gynaecology - instruments, gynae examination  
*as. MUDr. F. Frühauf, Ph.D., as. MUDr. R. Kocián, as. MUDr. L. Dostálek*  
*Practical training according to the schedule*
- 10.30-12.15        Practical seminar – obstetrics (perineal repair)  
*MUDr. J. Dvořák*  
Practical seminar – obstetrics (labor - model)  
*prof. MUDr. Z. Hájek, DrSc.*  
*Practical training according to the schedule*

### **20th May (Thursday)**

- 8.15-10.25        Practical seminar – obstetrics (labor - model)  
*prof. MUDr. Z. Hájek, DrSc.*  
Practical seminar - gynaecology - instruments, gynae examination  
*as. MUDr. F. Frühauf, Ph.D., as. MUDr. R. Kocián, as. MUDr. L. Dostálek*  
Practical seminar – obstetrics (perineal repair)

*as. MUDr. A. Černý*

*Practical training according to the schedule*

10.30-12.15

Practical seminar – obstetrics (labor - model)

*prof. MUDr. Z. Hájek, DrSc.*

Practical seminar - gynaecology - instruments, gynae examination

*as. MUDr. F. Frühauf, Ph.D., as. MUDr. R. Kocián, as. MUDr. L. Dostálek*

*Practical training according to the schedule*

21st May (Friday)

8.30-10.25

Surgical video – oncogynaecology

*as. MUDr. R. Kocián*

10.30-12.00

Operation techniques in gynaecology, surgical treatment in oncogynaecology

*prof. MUDr. D. Cibula, CSc.*

### **3<sup>rd</sup> week**
